For Young Pro social media:

You're our YP Spotlight for a reason, and we want your peers and the world to see it. We kindly request a 20-30-second video introducing yourself to be shared on the @arfyoungpros Instagram.

Think: "Hi, my name is _____, and I am thankful to be in this month's spotlight.

As a young professional in the ARF community, please share what you are grateful for or wisdom from your professional experience.

For example:

- **Mentorship** in your workplace or outside of it.
- **Wisdom:** Always being willing to learn a new skill that many coworkers will appreciate a team member having.
- **Mantra** that you go by.
- **Advice:** Something you learn or were taught and want to share.
- Or anything that helped you get through your young pros journey. You can also do this by answering one or two questions from the application.

Optional: Feel free to include a random fun fact about yourself. We want to get to know you!

Let your personality shine through in this feature segment. You're a star, so show the YP community why!
